

REACH STATUS DECLARATION

We can confirm that our food grade products are outside the scope of REACH legislation.

'REACH Article 2(5)(b) exempts substances used in food or feeding stuffs in accordance with Regulation (EC) 178/2002 including use in animal nutrition within the scope of Directive 82/471/EEC from Registration under REACH (Title II), as well as from the titles on downstream users, evaluation and restrictions (Titles V, VI and VII).

Regulation (EC) 178/2002 covers food (or foodstuff) meaning any substance or product, whether processed, partially processed or unprocessed, intended to be, or reasonably expected to be ingested by humans. The Regulation applies to all stages of production, processing and distribution of food and feed.

In the instances where our food grade enzymes are not used in food or feeding stuffs, contact Cambridge Commodities Ltd.

We confirm that the above is a true copy of the original manufacturer's/supplier's Specification.

To be used as per local legislation.
